(4C)

Insert: Prices include inserting your document between two panels of ¼" thick acrylic. Front panel is clear, with a choice of clear or black acrylic for the back panel. Panels are assembled with acrylic screws. Front clear panel may also be requested with beveled edges at no additional charge.

Screen Printing: Available for an adder of \$3.00 (C) each per color. Setup charges are \$40.00 (G) for the first color, and \$20.00 (G) for each additional color. See page 57 for details.

Note: Plaques may be easily disassembled to add or change inserts. Custom sizes and/or shapes are available... contact factory.

White corrugated mailers are supplied with plaques.

FULL CUSTOM ENTRAPMENTS

A perfect and economical way to permanently "entrap" your document, product, credit card or a wide variety of other items.

This full custom piece uses multiple layers of acrylic to create a colorful showcase. Laser engrave or screen print your message on these items for that "final touch".

Because of the unlimited design possibilities, as well as imprint and material options, pricing must be quoted on an individual order basis. Please contact factory.

A clear acrylic easel stand is available for \$4.00 (G) each.
